

To Whom it May Concern,

The very earliest iterations of what would become NorthEast of the Well, started under Laura Suk's leadership, while serving on staff as the Minister of Missions at St. Andrew's Presbyterian Church. It began as a small Bible study with girls in a local recovery home. As the Holy Spirit moved and members in our community journeyed alongside the girls with an outpouring of God's love, that small Bible study expanded time and time again. From its earliest days, God's favor has clearly gone before the ministry and Laura's leadership.

It has been a privilege to have a front row seat to watch how God has moved in this ministry. We have seen it grow from its organic, prayerful beginnings to what it is today. Over the years, the Lord has continued to open doors for more ministry opportunities, expand their vision, further their reach, and ultimately, reach more people. NorthEast of the Well has walked with prayerful discernment into each new door, and God has blessed their obedience.

The NorthEast of the Well team continues to serve tirelessly. They are deeply committed to following God's call to bring the Word of God to those who need it most. They emulate Jesus of Nazareth in the way they bring grace, love, and light into the darkest places. They intersect with individuals who are often at the lowest place in their lives, and they faithfully and patiently journey with them from bondage to freedom.

We have seen lives changed, hope restored, and freedom found in Jesus in more lives than I can count. It is simply astounding to watch how God uses the faithfulness and obedience of this amazing team to reach people in his name.

We have also been so blessed by the deep and long-standing partnership we share. The team at NorthEast of the Well are far more than just ministry partners, they are friends and co-laborers in Kingdom.

It is an honor to whole-heartedly endorse NorthEast of the Well. They are faithful stewards of the provisions and kingdom opportunities God has given them.

With great joy,

**Julie Wood**  
Minister of SERVE
